Good afternoon Donovan, Lisa, *et al.*

Happy to make your acquaintance. Is there any possibility you can bring her by Westwood Presbyterian Church (WPC) or persuade her to venture over on her own. WPC is a welcoming church with compassionate Pastors and Staff. If you could call to let me know when you can arrange for either of the above options to happen, I will make every effort to be on campus for her.

Do you know her name? Is there any other information you can share that will certainly be kept confidential?

We have great referrals for the homeless, mentally/physically challenged (typically all ages). It sounds to me like you're aware that successful connection(s) depends mostly and sometimes entirely upon the person in need being receptive to available services.

I look forward to hearing from you.

~ Mark

I was wondering if you have any contacts of the churches in Westwood that do Outreach, so that they can talk to her and see if they can offer her any help? She has recently started warming up to me, but I still believe a faith based group will do her better justice. Whatever way you can help, I'd appreciate it!
